Dalmead

Rev. Johnson gave a very interesting lecture on "The Effects of Alcohol" at the Junior U.P.A. meeting on Wednesday. Owing to the condition of the roads he was unable to deliver his sermon on Sunday.

Mr. Stuart, from Ontario, is a visitor at the H. Balwin home.

Miss Eileen Story, from Strathmore, visited her parents at Dalmead Sunday.

A crowd gathered at the Roy Thomas home Wednesday to offer belated congratulations of his marriage to Miss Grace Gilbert. They were married July 11.

Coming Events

On Election night, Thursday, October 29th, the Strathmore Curlew will hold a special, dance in the Memorial Hall. See future advice and posters for details. 30-94

Edmonton Students at Strathmore

Nine students of the agricultural college of the University of Alberta were in Strathmore Monday and Tuesday. They are in charge of Professor Sinclair, Assistant Professor Department Animal Husbandry.

Their object in visiting Strathmore is to judge the cattle at the C.P.A. Demonstration Farm. During their stay here they registered at the King Edward Hotel.

A similar group who visited Strathmore last year won first prize in the national stock judging competition at Toronto. This year's group will compete for the same trophy.

The party started from Edmonton by motor, but had to take the train at Didsbury on account of the condition of the roads.

Carseland Not In Bow River

Townships 22, in Ranges 25, 26, and 27, which includes Carseland, Dalmead, and Strathmore are in Macleod Federal Constituency, not in Bow River.

The boundary line between the two constituencies is between townships 22 and 23. Township 22, in ranges 17 to 24, is in Bow River.

The electors in these townships would have preferred to have been attached to Bow River, and stated so to their Dominion member, but it was said that this could not be done without reopening the whole of the seats in Alberta.

New Telephone Directory Out

The Standard has just issued a new telephone card directory for the use of subscribers to Strathmore. This Office address in Strathmore can have copies free by applying at the Standard Office.

Special Dance Tuesday

On Tuesday evening, October 6, the famous eight-piece Rainbow Orchestra, of Calgary, will give a dance in the Memorial Hall. This orchestra is well known in Calgary and is one of the best in Western Canada.

At intervals in the dance programme songs, dances, and musical specialties will be given by members of the orchestra.

This will be a great treat to dancers, and even those who do not dance can enjoy themselves watching the specialties.

It was originally announced for tomorrow evening, but postponed on account of weather conditions.

The dance commences at 9 p.m.

Election News

Liberal and Conservative Nominations Now In Field.

Progressive Convention Tomorrow

Interest in the forthcoming Federal election is not at all keen yet, farmers, and everyone generally, judge the weather the paramount topic of interest. However, by this week, the three major parties will have their candidates in the field, and the battle will be joined.

As announced in last issue, Jesse Gouge, prominent coal operator of Drumheller, is the Liberal nominee. The Conservative nominee is W. J. Douglas, of Wayne, his occupation being druggist.

The Progressive convention will be held in Calgary tomorrow (Thursday), and the general opinion is that E. J. Garland, the present member for Bow River, will receive the nomination. Mr. Garland has been out of the province for some time, on a visit to Ireland, but is expected back in time for the convention.

Conservative Convention There was a representative attendance of Bow River electors at Calgary on Thursday, when W. J. Douglas was nominated as the Conservative candidate. Others nominated were Hugh Miller, of Iricana; James Weir, of Parkland; J. S. Mavor, Calgary; and R. A. Boyle, of Carbon. All declined nomination, except R. A. Boyle and Mr. Douglas, and on a vote the latter was declared the nominee of the convention.

In thanking the Convention for the nomination Mr. Douglas said that he would make a good clean fight, and asked for the support of those holding similar views. He had perused with interest the remarks of Mr. Jesse Gouge, the Liberal nominee, particularly with regard to modernization of the Senate. How would he modernize Senator Harmer. His former opponent, Mr. Garland, was a polished speaker and a well educated man. His own idea was not to meddle with what the other man did or said, but to pursue a constructive campaign of education.

ation. They must have a constructive platform. As far as Parliament was concerned, he believed that the best work was accomplished by a man's ability to work in the caucus of the party for his constituents, rather than on the floor of the House. If elected he would do what he could for every elector in the constituency, whether Liberal, Conservative, Progressive, or Labour.

A stirring address on the questions of the day was delivered by Hon. R. B. Bennett prior to the nomination.

Officers Elected

The Bow River Conservative Association, elected the following officers: Hon. President, Rt. Hon. Arthur Meighen; Joint vice-presidents, Hon. R. B. Bennett and A. McGillivray, K.C.; President, W. R. Fulton, Drumheller; vice-president, Dr. A. E. B. Donovan, Rockyford; secretary, Chas. Christian, Drumheller.

The executive—S. M. McMullin, Drumheller; William Carran, Rockyford; Hugh Miller, Iricana; W. L. Fulton, Blackfoot; Douglas Havelock, Gleichen; William McLaws, Bassano; S. P. Torrance, Carbon; Dr. Graham, Drumheller; George Tupper, Wayne; George Thurston, Nightingale; Harry Nelson, Vulcan; William T. Rudd, Rockyford; Mr. Cook, Bettam; M. J. Parker, Swanwell; E. F. Porell, Du Chesne; Fred Davis, Iricana; F. Granger, Granger; Dr. Elliott, Swallow; Mr. Maher, Vulcan; W. L. Tolson, Arden; Mr. Hodges, Carmichael; Andrew Jorgensen, Wayne; and Joseph Oswald, Rosebud.

Liberal Executive The executive of Bow River Liberal Association is as follows:

Honorary president, Premier Maclean; King; honorary vice-president, Charles Stewart, minister of the interior; president, W. W. Brown, Gleichen; first vice-president, John A. McKay, Drumheller; sec. treasurer, Joseph McKenna, Drumheller; Executive committee: J. Stack, Vulcan, chairman; Walter McIntosh, Gleichen; H. Cooper, Champion; J. McNaughton, Carmichael; W. S. Playfair, Bassano; Vaughan Klinton, Keoma; R. Cowan, Langdon; J. J. Greenan, Carbon.

Five Days Rain and Snow

Threshing is Again Held Up By Record Rainfall.

All September rainfall records have been beaten by September 1925. Up till Tuesday morning 4.56 inches of precipitation had been registered, most of which fell in the form of snow. The weather, however, has been comparatively warm, and the snow melted quickly.

Threshing outfits were at work last week, a few on Tuesday, and more on Wednesday and Thursday, but on Friday forenoon rain set in, and it has been raining or snowing almost continuously since up to the time of going to press. The rainfall from Friday up to 7 a.m. this morning was 1.58 inches.

The weather is very disheartening to farmers and their employees, and to business people generally. Threshing cannot be resumed for another week. For the whole of September there have only been four or five days in which the grain was dry enough to thresh. The grain threshed last week was found not to have been badly affected by the previous rain fall, though some brought in was tough. Red Fife seemed to bleach more than Marquis, and was reduced a grade.

Everyone is hoping that after the present storm has exhausted itself, there will be a prolonged spell of good weather. This has been the case in other years of heavy precipitation during September. Three or four weeks of normal weather would complete threshing for the district.

The only redeeming feature of the present rainfall is the benefit to the summer-fallow ensuring a good start next spring.

Strathmore Retail Merchants Organize

Mr. Geo. H. Hougham, special representative of the Retail Merchants Association of Canada, addressed a number of retail merchants in the Odd-fellows Hall, Strathmore, on Wednesday evening.

Mr. Hougham dealt with the necessity for retail merchants to co-operate. There were many questions seriously affecting retailers which they could not deal with individually, but as an association they could materially improve their position. Transient traders and peddlers, false advertising, overcharges on freight, and other matters came within the scope of the Association. Mr. Hougham is an earnest and forceful speaker, and was followed closely by his audience throughout the address. A number of questions were asked, following which the majority of those present joined the Association. The Association has now 600 members in Alberta, as against 242 last year.

Medicine Hat Election

With 27 polls to hear from, at 11 a.m. this morning, C. S. Pingle, the Liberal candidate, had a pronounced lead. The totals are as follows:

Pingle, Liberal	1578
McCombs, Labour	1135
Hendrick, Conservative	983

As this election is on the proportional representation plan, and no candidate has a clear majority, second choices will be counted on October 9.

Precipitation for 24 hours ending 7 a.m. this morning was .61 of an inch.

SCHOOL FAIR

Mr. Buchanan returned the compositions, which he took to Calgary to be judged last week. The following are the winners:

Class 86, Grade III—"My First Day at School"
1. Andrew Taylor, 2. M. Thompson,
3. Teddy Schulte, 4. Stewart Lydiate.

Class 87, Grade IV—"Destruction of the House Fly"
1. Jean Groves, 2. George Patrick,
3. Betty French, 4. Ella Allen.
Class 88, Grade V—"Destruction of the House Fly"
1. Lucile Laurie, 2. Patsy Pakenham,
3. Gladys Bergquist, 4. Addie Spurgeon.

Class 90, Grade VII—"The Happiest Day in My Life"
1. Hazel Frobergert, 2. M. Wooster,
3. Margaret Jackson, 4. Alice Garrett.

Class 91, Grade VIII—"The Happiest Day in My Life"
1. Helma Flemming, 2. Hilda Galt,
3. Noney Stephens, 4. Antoinette Morgan.

Class 92, Grade IX—"A Colateral Reading Subject"
1. Mary Wismail, 2. Mary Korch, 3. Peggy River, 4. Ida Frederick.

Class 93, Grade X—"A Colateral Reading Subject"
1. Ida Frederick, 2. Gladys Stephens,
3. Elmer Gilbert, 4. Bertha Gray.

Class 94, Grade XI—"The Value of Science in the Home"
1. Gladys Stephens, 2. Nyall Tweedie,
3. May Taylor.

The results of the grade II competition will be published next week. It is one of the cases that are being investigated.

There is no record in the Junior books of class 79, map of Asia. Will those who obtained prizes in this category certify the accuracy with

out delay?
TEACHERS!—One month of school has gone. How many specimens of your pupils' work have you and send us next year's fair?

The regular monthly meeting of the Bow Valley Local of the A.T.A. was held last Wednesday evening. There was a fairly good attendance. Mr. Douglas, principal of the Crowsnest Consolidated School, was elected secretary. Mr. Reid having left the district.

It was decided to hold the Second Annual Field Day in Strathmore, either on Friday, October 16th, or Saturday, the 17th. If all the competing schools can persuade their Boards to declare Friday a holiday, the sports will be held on that day. Otherwise they will be held on the Saturday.

Mr. Whitney was appointed manager and he, together with Messrs Douglas, Mackey, and Crowthers, have charge of the arrangements.

The five shields will again be competed for, and a button will be given the individual winner in each class. In addition there will be ribbons for 1st, 2nd, and 3rd places in all events.

The classes are as follows:
1. Junior shield—"A", under 25 pounds; "B", under 65 pounds; "C", under 75 pounds.
2. Intermediate shield—Under 50 pounds.
3. Senior shield—Under 110 pounds.
4. Open shield.

5. A shield for the crew member obtaining the most points in all events.

Each division is required to bring a trophy for boys and girls, for boys and girls, for boys and girls, for boys and girls.

In all weight's five pounds is allowed for clothes.

Not more than three may compete for a shield in any one event.

It is hoped to have a flag of events in the hands of the winners in a few days.

Let us all cooperate to make this field day a great success.

General

In an effort to provide opportunity for every boy and girl attending school

to take part in team games, an additional football field and basketball field have been fitted up with equipment. We hope also to be able to maintain some playground equipment for the younger children.

Strathmore To Have Troop Of Boy Scouts

Plans for the formation of a troop of Boy Scouts in Strathmore have matured, and there will be a meeting of the boys tonight in the room over Garrett's Store, the use of which has been given by Messrs Barber & Cran- den, for club room purposes. Leaders will be elected, and the boys will be divided into patrols, etc., as outlined by the rules of the Association.

Any parents who are interested are requested to get in touch with Fred J. Dunn, who will also receive the applications from boys who wish to join.

It should be noted that this movement is non-sectarian, and also non-military, and it aims only towards making good future citizens, and teaches the boys to see the best there is in life.

The programme is very attractive and instructive, and it is intended to cover a large amount of it during the coming winter, holding over till the spring the many activities which must be accomplished out of doors.

THINGS NOT SO BAD IN GREAT BRITAIN

The Strathmore Standard has been concerned itself with combating the numerous reports that British people are suffering from poverty and that the Old Land is on the verge of bankruptcy; and other flimsy reports of our Canadian dollar competitors.

The Standard is rich in the Country, as we know it is all a new world. The indisputable economic enterprise of a thousand years ago.

Kamaka

Mr. Jack Anglin left on the 21st for Calgary, where he will attend Non-mal.

Several changes are being made in the town. Mr. Fawkes has purchased the house and lot formerly owned by Mrs. Saylor; while Mrs. Hapgood has bought the home of Mrs. Stevens.

Mr. Dave Thomson, manager of the Geo. Lane ranch, left on the 27th to attend the funeral of the late Mr. Geo. Lane, which was held in High River. Several of the people who had planned to go, and wanted to pay their last respects to the deceased, were unable to go on account of the condition of the roads. Mr. Lane was well-known and highly respected in the district, and the deepest sympathy is felt for the family in their bereavement.

Mr. W. Watson was a visitor to Calgary over the week end.

coming the tremendous problems caused by the assumption of extraordinary burdens during the war.

If certain of our newspapers were to become morbid over something, let them spread themselves over the "Black Problem" in the United States. There are infinite possibilities there.

M. D. Rooms Meeting

The Council of M. D. Rooms met at the Council Hall on Saturday, the 12th September, 1925, the following members being in attendance: Reeve, Scratch and Councilors Messrs Donkin, Walker, Jamieson and Bates. The minutes of the previous meeting were adopted as read.

The following correspondence was read:

Correspondence in regard to the annual payment of debentures due on September 5th for \$1600 which the treasurer added had been paid.

Correspondence was read from Messrs Savary, Fourny and McLane in regard to Domestic Animals Act, which was ordered filed.

Lady Doctor Resigns
Correspondence was read from Dr. Goodwin to the effect that she was resigning her office as M.D.O. A motion was passed ratifying Mr. Scratch's appointment of Dr. Fowler to fill her position.

Communication was read from Mr. Weary, solicitor on behalf of Mr. A. Rochon to the effect that he was receiving remuneration for same.

Bridge Requests
Communication was read from Mr. Graham, resident engineer, requesting list of bridge requests. On motion the secretary was instructed to submit the following:

Division 1—None.
Division 2—Replacement, between sections 22 and 23 25-24, a C.N.R. bridge which we are unable to get them to replace.

Division 3—None.
Division 4—Replacement of pile wall of 12-27-24, new bridge west of 34-27-24 over Rosebud river.

Division 5—New bridge between 20 and 23 27-24, over Rosebud river.
Division 6—The secretary was instructed to ascertain from Mr. Thurston if he requires any for his division.

A communication was read from the Dept. of Municipal Affairs, relating to the hospital act which was read, and a letter from the Deputy Minister advising that in the Hospital matter of Mr. Bert Foster, the point of residence was defined as in the village of Irricana. It was moved that these be filed.

A copy of the minutes of the meeting held in Strathmore on August 6th, 1925, and Mr. Donkin, the delegate, reported on the meeting, which was accepted. It was moved that a letter be sent to the Dept. of Public Works with reference to authorization No. 264, dated May 27th, 1919, in particular reference to section 4, that such clause be added to.

On motion the secretary was instructed to write to the Dept. of Municipal Affairs requesting that they send such municipality a complete list of all the equalized assessments.

On motion the secretary was instructed to write the Dept. of Public Works in regard to their authorization No. 268 to the C.P.R. permitting them to build bridges over the irrigation canals on road allowances. To the effect that all bridges be built parallel with the road and not set across.

Communication was read from Mr. Stockton regarding the drainage system north of Nightingale. The Council decided that nothing would be done at the present time.

New Bylaw Re Animals
By-law No. 26 was regularly passed on the Domestic Animals Act, prohibiting all domestic animals from running at large in the whole of the Municipality during the whole of the year. The secretary was instructed to send same to the Deputy Minister for approval.

Communication was read stating that the convention of Municipal Districts would be held in Edmonton November 25, 26 and 27, and the secretary asked for any resolutions that might be forwarded prior to November 16th. No official delegates were appointed.

Bills to the amount of \$22.10 were laid on the table for return to the new grader purchased from the Richardson Road Machinery Co. last year. The secretary was instructed to write them to the effect that the whole had not stood up to the work to our satisfaction and ask them if their machines did not cover this part of the machine. The bills were not passed in view of this fact.

FRANK J. EWING,

Secretary-Treasurer

Wheat Pool Starts Campaign to Secure 10,000 New Members

Campaign Now Under Way on Differ-
ence Between Wheat Pool and Other
of Year, and Canvassers Will Be
Paid for Their Work—Delegates
and Local Secretaries Are Eligible
to Participate and Receive Com-
missions.

Alberta grain growers are advised that the Alberta Wheat Pool has inaugurated a new campaign for membership and that this campaign is being conducted on a different basis than others in the past, either in Alberta or the two other prairie provinces.

Much of the success of the pool method of marketing in Western Canada is attributable to the initial care that was exercised in Alberta at the beginning when those in charge of organization had this work in hand. Alberta paved the way. The wheat pool here, has made remarkable progress. It has won the confidence of the people of this province. Those who entered it at the beginning are benefited, and thousands who have waited to see how things would turn out, have since been so impressed that they have joined the pool for the balance of the term of the contract namely, until the crop of 1927 is marketed.

Canvassers on Br Paid
The success of the last two years, has encouraged the directors of the wheat pool to authorize a new canvass for members at this time. The campaign is now being carried on by the pool until the end of the year. In the past all canvassing had been done voluntarily with no payment; services rendered, by President H. W. Wood and the board of directors feel now that it would be unfair to ask the growers of other provinces, or new workers, to undertake further work along this line without some payment to offset the time lost and expense entailed in the task of securing contracts.

\$1.50 Per Contract
The commission is \$1.50 per contract. If the membership fee is paid in cash—the fee is \$3—the canvasser may receive \$1.50 to the head office of the wheat pool at Calgary and retain the balance as his commission. When the note form is signed by the grower or the contract sent in, the sum of \$1.50 will be sent by the head office to the canvasser, but it must be a bona-fide wheat producer of the province. The contract must be complete as to full name of grower, his address, location of land and number of acres sown to wheat in 1925, and the signature properly witnessed.

In all cases contracts must be accompanied by a canvasser's report, properly filled out, with the full name of the canvasser, and address, properly shown. This is necessary so that the head office may send the commission to the proper party.

Contract forms, canvasser's report forms, and self-addressed envelopes are being sent to wheat pool delegates, wheat pool local secretaries, secretaries of U.F.A. locals, and municipal secretaries, to any of whom canvassers may apply for supplies, or they may send for supplies direct to the head office of the pool at Calgary.

The combined membership of the three Canadian wheat pools is 110,000, and the volume of wheat handled in the past season was in excess of 50,000,000 bushels. It is estimated that the Central Agency will handle this year at least 140,000,000 bushels of wheat.

Objective of Present Campaign
The membership campaign which has now been started aims at raising the membership from 22,000 to 42,000, which, in the average of acreage, will bring the total acreage in the pool to 4,200,000 acres, an increase of 1,000,000 acres. The present administration can promptly and efficiently care for this increased volume of business. The pool stands higher than ever in the respect and confidence of the people of the province. Several thousand new members have been added by joining the pool without solicitation simply on account of the good work it has done and the decided satisfaction of old members in the success of its operations. The objective set by President H. W. Wood and his associates in the administration of the pool's affairs can easily be reached if the friends of the pool set about the work promptly and actively and all who desire further information about the pool, in any department of its operation, can have this for the asking from the head office in Calgary.

LOCAL SETTINGS

Next week is Fire Prevention week, and everyone is urged to see to the condition of their chimneys and other possible fire hazards at this time.

The weather of this September is causing our sympathy with Noho, who faced a somewhat similar situation. And it is not to be altogether wondered at that he overindulged in the juice of the grape, as recorded in Genesis.

Talking about special privileges, has anyone considered that Strathmore, Bassano, Brooks, and adjacent municipalities, have been paying extra taxes for the benefit of the Dominion generally for many years. The C.P.R. was given exemption from taxation on their unimproved acreage for a twenty-five year period for the purpose of encouraging railway construction, and on their main line these exemptions have been continued at no tax rates for the benefit of the Dominion as a whole.

Eleventh Crop Report

Issued by the Dept. of Agriculture

With cutting or practically all grain completed throughout the province nearly three weeks ago, threatening conditions have been continuing, layed and hampered by cold, weather, in which there has been considerable rain, with snow in many parts of central and southern Alberta. The result has been that at present scarcely more than 25 per cent, or thereabout, is completed. The weather has had a tendency to toughen on the grain, and in a few districts the grain in stock has sprouted. The general effect has been to lower the grade. Severe frost has also occurred, but the effect of this grain in stock has been slight. The late crop has suffered from this to some extent.

Threshing is progressing intermittently as fine warm days occur and the grain becomes sufficiently dried out. It will be some time before any large proportion of threshing is completed in any part of the province.

Choral Society

Officers Elected

At their practice held last Monday evening Strathmore Choral Society elected the following officers: President, J. French; Vice-president, D. French; secretary, Geo. Anderson; treasurer, Mrs. R. A. Brown; Librarian, D. Perry. Committee—Messrs Saunders, Cope and Wood. Conductor, C. A. Lydell.

Practice will be held every Wednesday evening at 8 p.m. in the dining room of the Memorial Hall. It is the intention of the Society to give a public performance in December for the benefit of the Memorial Fund.

Mrs. T. H. Eves and Mrs. E. Flynn arrived back in Strathmore on Sunday, after a visit to the Coast.

Mr. J. J. Petrie was a Strathmore visitor Saturday and Sunday.

Mrs. J. A. French and family leave on Friday of this week on an extended visit to England. They expect to be away ten months.

Mr. John Morris, of Dorchester, England, is on a visit to this part of the country at present, visiting with Mr. and Mrs. E. M. Stoodley, and Mr. and Mrs. James Galpin.

Miss Eileen Garriott left on Tuesday for Calgary, where she is entering the General Hospital for training.

WEDDING

A quiet and pretty wedding took place on Wednesday afternoon, September 16th, at 3 o'clock, at the home of Mr. and Mrs. G. C. Lancaster, 1912 11th Street West, Calgary, when Miss Wilma Schaefele, daughter of Mr. and Mrs. W. F. Schaefele, of Penitence, B. C., was united in marriage to Mr. William R. Rimm, of Calgary. Dr. H. H. Bingham officiating.

The wedding was solemnized Saturday evening last, in Norwood Church, in the city of Winnipeg, of Miss Peggy Sutherland, eldest daughter of Mr. and Mrs. Neil Sutherland, and Mr. Frederick Falkner, son of Mr. and Mrs. C. Falkner of Drumheller. Rev. D. McTear officiated. Mr. and Mrs. Falkner left on a tour of Canada and the United States. Among the wedding gifts was a check for \$500 from the Canadian Coal Co., for whom the bridegroom has been foreman for several years. The bridegroom is well known here, having lived in the district with his parents for a number of years, and as a boy was on the staff of the Standard.

Mrs. Currie has her sister, Miss Aileen Cartwright, visiting her for two weeks.

Golf News

owing to the prevailing bad weather no play was possible for the competition planned for the 27th, and this competition will be held on October 3rd. If the course is in a playable condition with all members turned out so that handicaps from the cards can be set for the Cup Competition.

At a recent Executive Meeting it was decided that the put for the course was too low, and it was changed to the following: 554 435 444-28.

This increase should be an inducement for the new players to endeavour to shoot "par" golf.

LADIES' CLUB

Jupiter Putting was never a golfer, that's certain!

The results of the semi-final games for the Handicap Cup and Consolation Medal are as follows:

Semi-final for Cup
Miss Watson won from Mrs. Patrick.
Mrs. R. Hill won from Mrs. Bidley.
Semi-final for Medal
Mrs. Lyddiatt won from Mrs. T. Chamberlain.

Miss Horton won from Mrs. Whitney (by default).

The final games between Miss Watson and Mrs. Hill for the Cup, and Mrs. Lyddiatt and Miss Horton for the Medal should be played by Monday, October 5th inclusive.

The dates for the putting competition for gold pencil will be announced later.

FILM OF NEW YORK LIFE IS FILM AT THE MEMORIAL HALL

"Night Life of New York," produced for Paramount by Allan Dwan, who made "Robin Hood," "Manhattan," etc., is the feature this week at the Memorial Hall. Fred La Roque, Dorothy Gish, Ernest Torrence, and George Mackathorne are featured in the leading roles of the picture, which is an original screen story by Edgar Selwyn, the playwright-producer.

PARCEL POST WEIGHT LIMIT INCREASED

The limit of weight for parcels posted for delivery within Canada has been increased from eleven pounds as formerly to fifteen pounds.

Here and There

The entire Province of Prince Edward Island and adjacent islands have been leased for oil prospecting purposes to Henry L. Doherty & Company, according to an announcement by the concern. The lease has been taken on option.

Indications are that 1925 will be one of the best tourist seasons ever experienced by Montreal. It is estimated that 750,000 people from all over the continent visited Montreal last year, while this year the number is placed at a million.

It is understood that a contract has been let for the laying of a submarine cable from Vancouver Island to Suva, Fiji Islands, by the Pacific Cable Board. This is part of the "All-red" cable and wireless route which is being established between British possessions the world over.

In order to facilitate the work of the air force patrol radio stations are being erected at the Pax, Norway House, Victoria Beach, and Port Osborne Barracks, Winnipeg. The stations will be completely shortly and will have, it is stated, a radius of communication all over Canada.

"Judging from the amount of sound business activity noticeable here, British Columbia is launching into an era of constructive development which augurs well for her future prosperity," comments Grant Hall, Vice-President of the Canadian Pacific Railway, who recently spent ten days on the Pacific Coast.

"So long as the Canadian Pacific Railway has a dollar left in its treasury, it will fight for the ideals, uphold the faith and maintain the precious heritage of confederation," said E. W. Bentley, Chairman and President of the Canadian Pacific Railway, when addressing the Canadian Manufacturers' Association at their annual convention held at Hamilton recently.

Eleven hundred pounds of speckled trout, gray trout and lake trout trophies taken back to New York recently by seven members of the Coughnawaga Hunting and Fishing Club, private preserves near Montreal, after a two-week stay on the fishing grounds. The catch included a 10-lb. gray trout and the average weight worked out at around eight pounds.

Frank W. Ashby, secretary of the Australian Manufacturers' Association, visiting here recently, said the migration to Australia from the North Pole was the back door to the North Pole. People in the Antipodes today are the luckiest and the best of the world. He was surprised to find the Dominion had a delightful climate and cities more modern than those in Australia.

What is stated to be the biggest log jam in sixty years recently occurred on the Montreal River in a gorge through which the river flows into Lake Temiskaming. 300,000 logs were piled up to a height of 80 feet with a width of 200 yards, choking the river for 300 yards down at the point where the jam took place. An army of 100 men, working night and day for three days, at last succeeded in breaking the jam with dynamite.

A three-week tour of Canada by teachers and their friends, under the auspices of Jean S. Laird, of MacDonald College, will leave Toronto at 10 on the Canadian Pacific Railway. The party will travel by train to Vancouver and Victoria, and will return by way of Southern British Columbia, across the northern end of the Pacific Provinces and by boat from Fort William east. Stops will be made at all the principal points of interest.

Fund of Remembrance

Objective \$2500. Amount required to clear Strathmore War Memorial Hall of debt.

Received to date: Hon. R. B. Bennett \$50.00, Joe Lamb \$5.00, D. M. Robson \$5.00, Dr. Harries \$10.00, George T. Berry and Son \$50.00.

Donations can be sent in to John Mackenzie, Treasurer Memorial Hall Fund, or W. S. Patterson, Secretary G.W.V.A.

British teachers touring Canada under the auspices of the Overseas Educational League are now enjoying all the various forms of entertainment to be found in the Canadian Pacific Rockies. They have been riding trails, hiking, fishing, motoring, bathing in the sulphur springs at the Banff Springs Hotel and were the guests at a dinner there given by J. M. Gibson, secretary of the Trail Riders of the Canadian Rockies.

Confidence of United States capital in the Dominion, optimistic preparations for the new Canadian financing, prospects of a good crop large United States purchasing in Canada, and heavy expenditures of American tourists in the Dominion were some of the reasons offered by New York financial experts for the consistent above par stand of the Canadian dollar on the New York exchange. The Canadian dollar is now at a premium on the New York exchange.

MONDAY MORNING—
Time to change ads

Rockyford

If the weather continues unfavorable, the Rockyford Drug Two for One Sale will be continued next Thursday, Friday, and Saturday, October 8, 9, and 10th.

Help Rockyford grow by boosting the Rural High School.

The Ladies Club of Rockyford, will entertain the ladies of Bainmore on October 8th in the afternoon at Rockyford Town Hall. All ladies are welcome.

The committee on the High School have been quite busy this past week holding meetings, last Monday at Wheatcroft, Tuesday at Laydon, Wednesday at Rosebud Valley, and Friday at Lundre. At these meetings nearly 80 per cent. of the ratepayers signed up for a rural high school. There will be more meetings held as soon as the weather permits.

Quite a few farms have changed hands in the Rockyford district last week.

Mrs. C. Hagen and son have been discharged from the Rockyford Hospital.

Mr. Jewel, employed with Mr. Schafer, met with a painful accident last week, and is now in Rockyford Hospital.

Mr. Ray Peters has been discharged from Rockyford Hospital, having recovered from his attack of blood poisoning.

At last Thursday's Conservative Convention, Dr. Denovan was elected vice-president of the River Conservative Association, while Messrs. Thurston and Curran are on the executive.

Mr. C. M. Wine collected a gallon of cherries off one of his trees before the frost.

Two new phones have been installed recently: R112 L. Bentley, and J180 W. G. Short.

Constable Carr, A.P.P., has been transferred from Carbon to Cochrane.

Rosebud News

Our Cooperative manager, Mr. Wright, has moved his family to Rosebud.

Mrs. Abe Henderson and family have returned from B.C., where they have been visiting relatives for the past two months.

The Tennis dance, September 22nd, was a great success.

Mr. and Mrs. A. Story spent a few days last week in Calgary.

Mrs. Forker and daughter spent Friday afternoon with Mrs. E. A. Dewey and Mrs. L. Weaver.

A number of Rosebuddies took in the Habit Lake Dance last week.

Mr. and Mrs. D. Medieski were Calgary visitors last week.

Mrs. Dave Cyres and Mr. Clarence Cyres were visitors in the Kempt home Sunday.

Dr. Knapp received the sad news that his son and mother passed away in New York City, where internment was made last Monday, the 21st. Sympathy is extended from this community to Mr. Knapp.

Mr. and Mrs. L. Nicklason returned from a short visit in Calgary last Saturday.

Mr. W. E. Hyman has just recovered from quite a serious illness caused from eating too much pop corn and peanuts. Better keep him away from the city.

ROCKYFORD TREE PLANTING PRAISED

The report of Mr. Archibald Mitchell, tree planting expert of the Canadian Forestry Association, has the following good words to say for Rockyford.

"This town has made wonderful strides since our first visit there in 1920. It now boasts of a town park, the school grounds are planted, it has its own nursery, most of the streets are boulevarded and almost every home planted up. Evening brought a packed audience to the tree planting camp."

Acclaimed England's Newest Beauty

England, like America, is never in "latest" fair one to win fame and popularity with Londoners because of her bringing new beauties into the public limelight. And, similarly, it is always an enjoyable thrill to look upon and study the classical features of each newcomer in the charmed circle. Above we have a photograph of the

Slats' Diary

Friday—went out to an opening of a
new restaurant this evening, pa and ma
including me and Ann
Emmy. Ma was a tell-
ing pa a bad time of
that he may watch his
steps and be careful
what he eat with and
ect. she and it was
dangerous to eat things
with a wife. But she
current skate pa, enny
buddy at knows pa
knows at he is all ways
looking for adventures
and sure stuff he was
enjoy and went ahead
and tried it, and cum
out all rite to. Mebbe
he was just lucky.

Saturday—three or four women drops
in tonight and they and ma spends the
time talking about Mrs. Clait most
of the time they was here. Pa says
honestly that poor women gets her
self talked about as much as the
whether does it seems like.

Sunday—Pa expressed to today that
he was invited to a Stag party for 1
nite next week. Ann Emmey had all
ways ben underneath that impression
till jus now that a Stag party was one
of those diery party where every
buddy makeovers up like a animal or
sum thing or aliser.

Monday—well in the kringame
game of full fall of are class team to-
nite why I was the oney 1 to make 2
tutchevans. never changed to be so
much but when it comes to athletics
why I guess I got sum class, and I dont
mean Low.

Tuesday—I guess they lert Jake a
lesson tonight and me to. Pug Stevens
and a couple other fellows koxed us
to take a chew of taback and we all
go sick. Jake was terrible. He told
Pug he was so sick he diddnt no what
to do. Pug sed. Well never mind
when you get a littel more sick why
yale do it any how. And he dider, and
we did to.

Wednesday—I guess about the laziest
man in town is Ed Masters. Pa says
he all ways wont by nothing but oney
chap pipes so when he drops that on
the side walk why he dont half to
step down to pick it up off the side-
walk.

Thursday—Pa was a waiting to get
in a telephone booth today and a teller
was in there for 30 minits. all he sed
was good bye. Pa then lert he had
ben talking to his wife.

Smile Charlie Says—

"Bein mean gets
t' be such a habit
with some folks
that they get t'
think that being
mean is a sin."

SHOULD SAVE SEED GRAIN

Farmers who are growing Howes
Alberta Flint Corn in quantity will, as
a matter of course, save seed for their
own use, or to sell. Those who are
growing it in gardens however, should
see to it that they save a small quan-
tity of seed for their own use. The
College of Agriculture cannot under-
take to furnish the seed for everyone.

Here and There
It is expected that the present
year will break all records in the
movement of Eastern trans-atlantic
travellers. It is estimated that over
a quarter of a million Americans
and Canadians will travel to Europe
during the season.
The supply of farm hands for
Western farms is not equal to the
demand and the shortage is becom-
ing more pronounced as the season
progresses, in spite of the large num-
ber of immigrants coming from Eu-
rope for this purpose.
During the eight months ending
March 1925, 187,788 cases of grain
were passed by the government in-
spectors for the western provinces.
This number has only been exceeded
four times in the past twenty-four
years. Of the total for this year
105,555 were on Canadian Pacific
lines.
According to a statement issued
by the Bureau of Statistics, Cana-
da's production of commercial
fruits for the past year showed a
decrease of \$8,502,912 in value as
compared with 1923. The total
value of fruits grown in 1923 was
\$32,169,343 and in 1924, \$24,266,631.
There has been a decided increase
in the first quarter of this year in
the ordinary life insurance written
in Canada as compared with that of
the corresponding period in 1924.
The increase in March over Feb-
ruary was from twenty-eight to
thirty-five million dollars.
